DESCRIPTION OF PICKLEBALL CLINICS

INTRODUCTION TO PICKLEBALL-BEGINNER CLINIC (0-2.5)

For players who have never played or have tried once or twice, do not know all the rules, and need help with basic fundamentals of forehand and backhand strokes, ball striking position on court..etc.

INTERMEDIATE CLINIC (3.0-3.5)

For players who know basic rules and have been playing for a little while, aware of what dinking and 3rd shot drop is, can serve and return the ball in the court most of the time and understand basic position on the court, shifting with partner and basic strategy.

ADVANCED CLINIC (4.0+)

For players who understand pickleball strategy, scoring, positioning, dinking and 3rd shot drops, can consistently serve and return the ball in the court and understand the importance of getting to the kitchen line in order to be successful in pickleball.
